

Dear Parents and Caregivers:

This is the **Fall 2009 Gather 'Round Build and Lock Talkabout**, for use during September, October, and November. We invite you to take it home, place it wherever your family will see it often, and use it at mealtime, bedtime, or whenever you can.

The ideas and faith topics on this Talkabout go along with the stories your child is following in Sunday school, on the Old Testament theme “Exile and Restoration.” Two cards accompany each weekly Bible story. Follow the ideas on the cards, then build and lock them together as you wish. Don’t feel you need to do everything suggested on the cards. Select a discussion question one time, a prayer the next, or whatever fits the time you have.

Whether you use it every day or only a few times, this Talkabout will provide a visual reminder of God’s presence with your family throughout the quarter and some new opportunities to think and talk about faith.

Have fun building up faith, as you “rebuild the temple”!
