

Dear Parents and Caregivers:

This is the **Spring 2010 Gather 'Round Talkabout**, for use during March, April, and May—a set of weekly “door hangers.” We invite you to take the Talkabout home, use the ideas at mealtime, bedtime, or whenever you can, and enjoy placing the door hangers around your home this quarter.

The ideas and faith topics on this Talkabout go along with the stories your child will be following in Sunday school, on the theme “Living the Good News Together.” Each door hanger relates to a different Bible story from the quarter. Follow the ideas, and use the weekly prayers as a table grace or in family devotions. Don’t feel you need to do everything suggested. Select a discussion question one time, a prayer the next, or whatever fits the time you have.

Whether you select ideas every day or only a few times, this Talkabout will provide a visual reminder of God’s presence with your family throughout the quarter and some new opportunities to think and talk about faith.

May you grow in faith this quarter, as you learn about “Living the Good News Together”!

Church staff: Please print this note for each family, and distribute with the Spring 2010 Gather 'Round Talkabout. Find a PDF of this letter at www.gatherround.org. Thank you for your help!
