

Dear Parents and Caregivers:

This is the **Winter 2009-2010 Gather 'Round Talkabout**, for use during December, January, and February. We invite you to take it home, place it wherever your family will see it often, and use it at mealtime, bedtime, or whenever you can.

The ideas and faith topics on this Talkabout go along with the stories your child will be following in Sunday school, on the theme "The Word Among Us." Each weekly card relates to a different Bible story from the quarter. Follow the ideas on the cards, and use the weekly prayers as a table grace or in family devotions. Don't feel you need to do everything suggested. Select a discussion question one time, a prayer the next, or whatever fits the time you have.

Whether you use it every day or only a few times, this Talkabout will provide a visual reminder of God's presence with your family throughout the quarter and some new opportunities to think and talk about faith.

May you have many good experiences as you learn and talk about "The Word Among Us"!

Church staff: Please print this note for each family, and distribute with the Winter 2009-2010 Gather 'Round Talkabout. Find a PDF of this letter at www.gatherround.org. Thank you for your help!
